

OPEN YOUR GARAGE DOOR AND HOUSE LIGHTS THROUGH MOBILE APP

The **Liftmaster Internet Gateway** allows you to operate up to two Raynor garage doors with your smartphone, tablet or computer.

Alerts can be received as email or pop-up notifications on your mobile device.

Mobile app is a free download with no annual fees. App is compatible with Android and Apple smartphones.

When used with the Internet Gateway, the **Liftmaster Remote Light Control** allows you to control any house light with your garage door remote control or mobile device.

Manufacturer reserves the right to change product design without prior notice.
